

## **The Purpose of This Covenant**

*A church covenant has framed our commitment to love and serve one another under the Lordship of Christ since 2009. Within this covenant are the church's obligations to its members and individual members' obligations to the church. This document summarizes how we promise to live together as people covenanted together as a local body, with Christ as the head, and articulates the New Testament ethics, which shape our moral framework for living together as a community. Our acceptance of this document follows the practice of believers throughout the centuries who have pledged to God and to one another to live out the gospel in community.*

*We use our covenant in two key ways today: 1). We require all prospective members to affirm the covenant and commit to its fulfillment before signing it and joining the church 2). Individual members and households reaffirm their affirmation of and commitment to the covenant yearly during a scheduled pastoral visit. By featuring the covenant in our life together, we strive to protect ourselves from individual and corporate sin that hinders our joy and progress in the faith, and our witness to the world. By implementing this covenant we maximize our fruitfulness to the local church, and our ability to honor Christ among his people.*
